

Has my child's car seat been recalled?

Save a Life™
TxDOT

Inspection Stations:

The listed Inspection Stations check child safety seats by appointment only. To make sure your child is safe in the seat, it is best to bring your child. It takes about 30 minutes to check each car seat. Be prepared to learn to install the seat yourself!

**Car seat inspections are free. However, our program depends on grants and donations.
All donations fund materials.**

Your donation is tax-deductible and is appreciated very much.

Visit our website at www.safekidsgreaterhouston.org or
www.texaschildrenshospital.org/InjuryPrevention for other locations and checkup events.

When can I turn my baby's car seat around to face forward?

To what age should my child be in a safety seat? HELPPP!!!

Why doesn't my car seat stay tight in my car?
